

# NO MOR PROBLEMS®

**NO MOR PROBLEMS®** is a preventative algicide for all algae and molds. This product will act as a preventive treatment and make the pool crystal clear with tremendous sparkle. Simply put the correct amount directly into the pool. You may swim immediately. Add with normal chlorine treatment.

## **NO MOR PROBLEMS® will:**

- Stop all non-metallic stains & deposits
- Reduce or eliminate most brushing
- Extend filter cycle on ALL filters
- Make poor filters work better
- Add fantastic sparkle to the water

**NO MOR PROBLEMS®** does *NOT* cause problems such as foaming, eventual failure and unwanted side effects and contains no heavy metals such as copper. This product is recommended for.....

- All pools, including plaster (marcite), fiberglass, vinyl and painted
- The ultimate prevention of clarity problems
- Year around preventive maintenance for algae and molds
